KWAZULU-NATAL ATHLETICS

22 January 2019

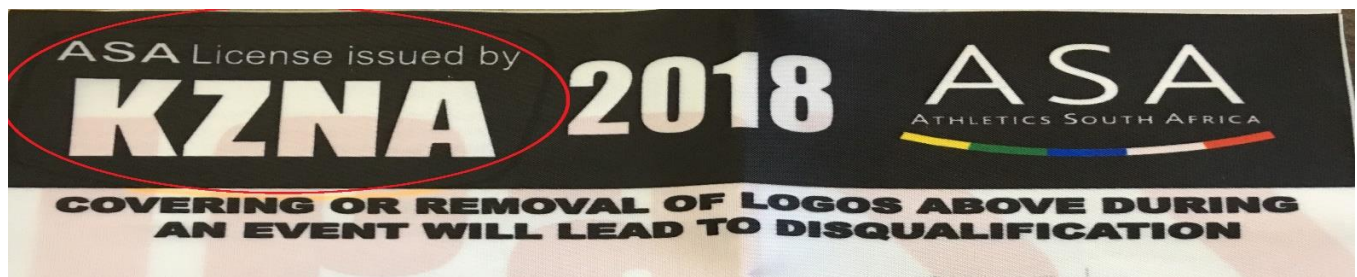

KZNA is the only registered affiliate of ASA in this Province as stipulated in the 2018 licenses below (picture 1 below). In comparison to other affiliates as illustrated in the 2019 Western Province Athletics license below (picture 2 below), the affiliate is correctly represented as "WPA". The 2019 version that is currently being circulated (picture 3 below) refers to a non-existent athletics affiliate (KZN).

It would be contrary to the respective ASA and KZNA Councils meetings' of 2018 which resolved that licenses would be distributed through affiliate members at a cost determined by both Councils at their respective levels.

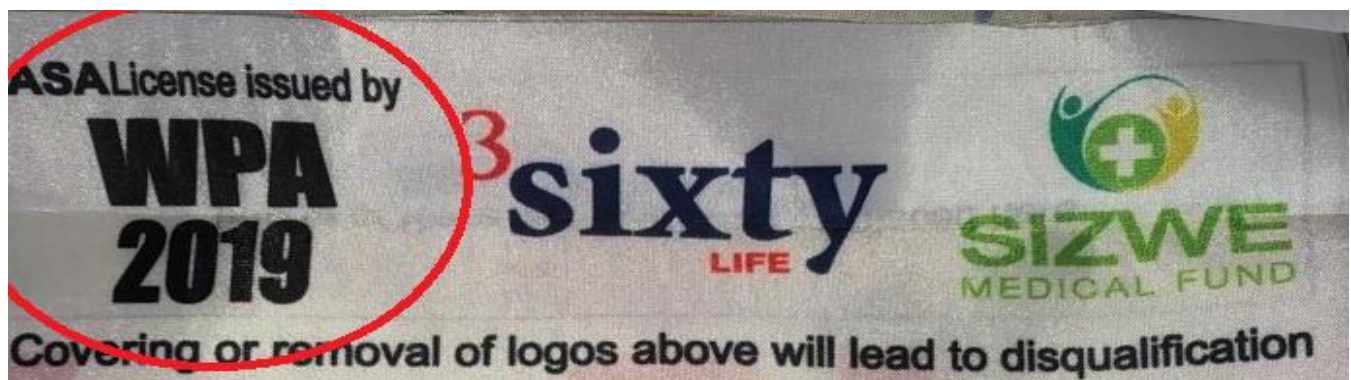

To accept licenses that do not contain their proper affiliated name of the Province and do so through a non authorised party is unacceptable.

In terms of the resolutions taken by both Councils no entity other than KZNA has authority to distribute 2019 licenses. Kindly refrain from bringing the Province into disrepute.
